

Friends

...with an ongoing legacy
of commitment to local history at
Old World Wisconsin

Old World Foundation is the local, independent non-profit organization that supports Old World Wisconsin's special projects and programs: things that would otherwise go unfunded without our help! **Our Friends** share this commitment. Share your support with Old World Wisconsin today by partnering with Old World Foundation. Thank you!

About the Foundation:

Old World Foundation has provided Old World Wisconsin with over \$7 million in direct, local support since 1984. The Foundation is the largest private funder of Old World Wisconsin, and our support stays right here in Waukesha County. The Foundation's *Friends* are a committed group of donors who care about preserving the treasures of Wisconsin's past.

How Your Gift Helps:

Old World Foundation exists to enhance the visitor experience and to preserve the historical integrity of Old World Wisconsin. Gifts are managed with integrity and good stewardship through fund accounting. Support from the Foundation makes a difference in countless ways at Old World Wisconsin: education, historic preservation, animals, gardens, guest amenities, and more.
